Mr. L. K. White
 Acting Deputy Director (Administration)
 Central Intelligence Agency
 Washington 25, D. C.

Dear Mr. White:

Your letter of March 15, 1954, requested that certain records of the Securities and Exchange Commission in the Federal Records Center, Washington, D. C., be transferred to your Agency under the provisions of GSA Regulations, Title 3, Federal Records.

The records in question, identified as Accession No. 52A212 of the GSA Region 3 Federal Records Center, were accumulated by the Commission in the preparation of certain studies for the Board of Economic Warfare and its successor agencies in the World War II period.

I understand that the Securities and Exchange Commission has concurred in the requested transfer. As available reports in other Federal records incorporate the substantive data in the records under consideration and as action of the Central Intelligence Agency appears to be in compliance with GSA Regulations, Title 3, Section 301.00, I have approved your request for the transfer of the records to your custody.

Sincerely yours,

Wayne C. Grover
